LIST OF BRITISH MILITARY OFFICERS

ON WHOM FOREIGN ORDERS HAVE BEEN CONFERRED,

Who have received the Royal Permission to accept the same, and have been duly notified as such in the London Gazette and registered in His Majesty's College of Arms.

REGULATIONS OF HIS MAJESTY RESPECTING FOREIGN ORDERS.

1st. That no British subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual, (directed to the Earl Marshal of England,) granting them His Majesty's permission to accept and wear the same.

2d. That the intention of a Foreign Sovereign to decorate a British subject with the Insignia of such Order shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3d. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify the same to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations the following were deemed expedient to announce, in the year 1812,

5th. "That no subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the enemy, either at sea or in the field; or unless he shall have been actually employed in the service of such Foreign Sovereign."

And in March, 1813, the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:

6th. "That His Majesty's Licence and Permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Batchelor of these realms."

N. B. Before the Principal Secretary of State for Foreign Affairs takes The King's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander in Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to His Majesty's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to The King's pleasure being taken thereon.

WAR-OFFICE, Department of Accounts,
24th January, 1821.

SIR,

I AM directed by the Secretary at War to acquaint you that the General Officers Commanding the Forces abroad have been requested not to grant any Warrants in future for Issues to Regimental Paymasters, upon Supplementary Estimates, after the expiration of Two Months from the end of the Year to which they may apply.

I am further directed to acquaint you Instructions have been given to the Officers of the Commissariat Department, by the Command of the Lords Commissioners of His Majesty's Treasury, not to make any Payments upon Warrants, contrary to those Instructions, without the special directions of the Officer Commanding the Forces, and that no Warrant which may be granted within the period of Two Months should be paid without the like special direction, unless it shall be presented for payment within One Month after it is dated.

No. 384.

GENERAL ORDER.

HORSE-GUARDS, 28th December, 1820.

HIS Royal Highness the Commander in Chief directs it to be notified, that Colonels of Infantry Regiments, in cases where they are required by existing Regulations to supply Cloth Pantaloons with the Clothing for their respective Corps, will be allowed, in future, to provide Pantaloons of a *Blue Grey* colour if it should be preferred to the *Dark Grey* hitherto in use.

An approved Pattern of the Pantaloon of the Blue Grey Colour has been prepared, and will be sealed and lodged, with the original Pattern of the Dark Grey, at the Office of the Consolidated Board of General Officers, Spring Gardens; and the Colonels of Infantry will be responsible that all future supplies of Pantaloons, for their respective Regiments, are made in strict conformity to one or other of the Sealed Patterns above referred to.

Blue Grey Cloth being understood to be more expensive on account of the Dye, and being of a superior quality, and calculated to last longer than the Dark Mixture, each Soldier supplied with the Blue Grey Pantaloons, as a part of his Clothing, will be liable to an additional Stoppage towards meeting the extra expense that will be incurred.

By Command of His Royal Highness
The Commander in Chief,

HENRY TORRENS,
Adjutant General.

Promotions, Appointments, &c. during the Month of January, 1821.

GENERAL ORDER.

HORSE-GUARDS, 19th March, 1821

IT being His Majesty's determination that no Officer holding a Commission in His Service, (whether on Full or Half Pay,) should engage in the Service of any of the Powers or Countries which are unfortunately now involved in Hostilities, The Commander in Chief has received His Majesty's Commands to caution all Officers who have obtained leave to visit the Continent, or to reside there; all those who may hereafter proceed to the Continent, as well as those who may have previously obtained His Majesty's Sanction to serve in any Foreign Army, against engaging or continuing in the employment of the Armies of any of the Contending Parties: and His Royal Highness is further commanded to admonish them, that by disregarding this Caution, they will forfeit their Commissions in the British Service.

By His Royal Highness
The Commander in Chief's Command.
HENRY TORRENS,
Adjutant-General.

MEMORANDUM.

BY the act of 49 Geo. III. cap. 126, for the further prevention of the Sale and Brokerage of Offices (Clauses IV. and V.) it is enacted, that persons *receiving, or paying, money, for soliciting offices, and entering into any negociations, or pretended negociations, relating thereto,* will be guilty of a misdemeanour; and that persons opening, or *advertising houses, for transacting business relating to the Sale of Offices,* will be guilty of a misdemeanour. By Clause VIII. it is further enacted, "That any Officer in His Majesty's forces, who shall *take, accept, or receive; or pay, or agree to pay, any larger sum of money, directly or indirectly, than what is allowed by any Regulations made by His Majesty in relation to the Purchase, Sale, or Exchange of Commissions* in His Majesty's forces, or who shall pay, or cause to be paid, any sum of money, *to any Agent or Broker, or other person, for negociating the Purchase, or Sale, or Exchange of any such Commission,* shall, on being convicted thereof by a General Court Martial, *forfeit his Commission,* and be *Cashiered*; and as an encouragement for the detection of such practices, such Commission so forfeited shall be sold, and half the regulated value (not exceeding five hundred pounds) shall be paid to the Informer, and the other half, or the remainder, if more than five hundred pounds, shall go, and be applied, as His Majesty shall order and direct by any Regulations from time to time made in that behalf; provided also, that every person who shall sell his Commission in His Majesty's forces, and not continue to hold any Commission in His Majesty's forces, and shall, upon, or in relation to, such Sale, take, accept, or receive, directly or indirectly, any money, fee, gratuity, loan of money, reward, or profit, or any promise, agreement, covenant, contract, bond, or assurance, or shall by any device, or means, contract, or agree

to receive, or have any money, fee, gratuity, loan of money, reward or profit, beyond the regulated price or value of the Commission sold, and also every person who shall wilfully or knowingly aid, abet, or assist such person therein, shall be deemed, and adjudged, guilty of a misdemeanour, within the provisions of this Act."

This is further enforced by the CXXXIVth Clause of the Mutiny Act, as follows:—

"And whereas great inconvenience has arisen to His Majesty's service from persons *not being authorized Agents* of Regiments, Troops, or Companies, *negociating for the Purchase, Sale, and Exchange of Commissions*, in His Majesty's forces, and much larger sums than are allowed by His Majesty's Regulations are often given and received for Commissions, and great frauds committed; be it therefore enacted, that every person, not being *an authorized Agent* to some Regiment, Troop, or Company of His Majesty's forces, who shall negociate, or act as Agent, for and in relation to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, shall forfeit for every such offence the sum of One Hundred Pounds; and every person, whether authorized or not, as Agent to some Regiment, Troop, or Company, who shall take, accept, or receive any Commission, sum of money or reward, for any negociation relative to the Purchase, Sale, or Exchange of any Commission in His Majesty's Forces, or who shall negociate, bargain for, or receive for his own use, or for the use of any other person or persons, any sum of money, or other consideration, above the amount of the price allowed by His Majesty's Regulations for the Purchase, Sale, or Exchange of any such Commission, or any sum of money, or other consideration, where no price shall be allowed by His Majesty's Regulations, shall, for every such offence, forfeit the sum of One Hundred Pounds and treble the value of such sum of money, or other consideration, as he shall negociate, bargain for, or receive, above the amount of the price allowed by His Majesty's Regulations for such Commission, in such cases where any price shall be allowed by His Majesty's Regulations, or treble the value of the sum, or other consideration, negociated, bargained for, or taken and received, in such cases in which no price shall be allowed by His Majesty's Regulations."

MEMORANDUM.

ENSIGN John Pinniger, late of the 1st Foot, having, at the late Assizes for Wiltshire, been convicted of giving to Three different Bankers affidavits for the same Quarter's Half-pay, and of thereby fraudulently obtaining from each of them a sum (on account) equal to the said Half-pay, notwithstanding he had previously received his Half-pay for that Quarter through his Agents; His Majesty, deeming the said Ensign John Pinniger to be unworthy of holding a Commission in His Majesty's service, has thought fit to command that the name of the said Ensign John Pinniger be erased from the Half-pay List of the Army.

MEMORANDUM.

THE Secretary at War acknowledges to have received from A. Z. a Bank Post Bill for £25, in part repayment of a sum of £130, stated by A. Z. to be due by him to the Public, in consequence of an error discovered by him in his Accounts, and the above-mentioned Bill has been paid by the Secretary at War, to the account of the Paymaster General, at the Bank of England.

Warrant authorizing the Substitution of Blue Grey Pantaloons for Dark Grey Pantaloons, and an additional Stoppage, not exceeding One Shilling per Annum, from the Pay of each Soldier supplied with the first mentioned Article.

GEORGE R.

WHEREAS by Our Warrant, dated the 15th July, 1812, in the 52d year of the reign of Our late Royal Father, regulating the provision of Clothing, Necessaries, Great Coats, and Appointments for Corps of Infantry, We were pleased to direct the sum of One Shilling and Sixpence per annum to be stopped from the Pay of each Soldier belonging to Regiments Abroad, (those in the East Indies and to the Eastward of the Cape of Good Hope and in the West Indies excepted,) for the difference between the expense of providing the Soldier with Dark Grey Pantaloons instead of Breeches; and whereas it has been represented unto Us, that Pantaloons of a Blue Grey Colour are, in point of quality and durability, preferable to those of a Dark Grey Colour, but at the same time more expensive on account of the Dye, We hereby authorize the Colouels of all such Regiments as are now required to be furnished with Dark Grey Pantaloons to substitute Blue Grey Pantaloons, in all cases in which the same shall be preferred: and We direct that, in consideration of the superior cost and quality of the latter Articles, a further Stoppage, not exceeding in any instance One Shilling per Annum, shall be made from the Pay of each Man supplied therewith.

And for so doing this shall be, to all persons whom it doth or may concern, a sufficient Warrant, Authority and Direction.

Given at Our Court at Carlton Palace, this 20th day of March, 1821, in the Second Year of Our Reign.

By His Majesty's Command.

WAR-OFFICE, 18th April, 1821.

SIR,

I HAVE the honour to acquaint you, that by an Act which has just received the Royal Assent, intituled "An Act for fixing the Rates of Subsistence to be paid to Innkeepers and others on Quartering Soldiers," the Rate of Allowance for the Hot Meal provided for Non-commissioned Officers or Private Soldiers on a March in South Britain is to continue until the 24th of the present month inclusive at Fourteen Pence per diem, but from and after the 25th instant is to be reduced to Twelve-pence per diem; and the Rate of Allowance to Innkeepers and others, on whom any of the Horses belonging to His Majesty's Forces shall be quartered, for Hay and Straw, is to continue until the 24th instant at Twelve-pence per diem for each Horse, but from and after the 25th instant is to be reduced to Ten-pence per diem for each Horse; the Charges to be made in the Public Regimental Accompts, under the head of "Encreased Rates to Innkeepers, &c." for Men on the March in South Britain, will consequently be reduced on the 25th instant from Fifteen-pence each in the Cavalry to Thirteen-pence, and from Seventeen-pence each in the Infantry to Fifteen-pence; and from the same day, the Allowance to discharged men will be reduced from One Shilling and Ten-pence for each day's march to One Shilling and Eight-pence.

GENERAL ORDER. No. 386.

Horse Guards, 16th May, 1821.

THE Master General and Board of Ordnance having issued the annexed Regulations for conducting Surveys upon unserviceable Ordnance Stores at Home and Abroad, and it being thereby intended that Military Officers shall in future be eligible to assist at these Surveys, the Commander in Chief desires that all applications for such assistance from the Troops may be duly complied with from time to time.

By Command of His Royal Highness
The Commander in Chief.

HENRY TORRENS,
Adjutant-General.

CIRCULAR.

Office of Ordnance, 19th April, 1821.

SIR,

THE Master General, on perusing the Report of Proceedings upon a late Investigation at Sheerness of certain Charges against the Storekeeper and the rest of the respective Officers at that place, having

recommended the adoption of some measures to remedy, among other evils, the present mode of Survey and Condemnation of Unserviceable Stores, and particularly Gun Carriages; and His Grace and the Board having further considered the subject, with reference to the General Order dated 27th January, 1804, which forms the existing Regulation on that point, have been pleased to direct, in addition to the Instructions therein prescribed, that, at the several Stations at Home and Abroad, the following Rules should be observed when it may be deemed necessary to ascertain by Survey the State of the Gun Carriages and other Stores in charge, viz.—

That such Survey be conducted by all the respective Officers, including the Officers of Artillery and Engineers, on the spot, who are jointly to report the result to the Master General and Board Half-yearly;—

That the several Articles which, upon the Survey, may be pronounced Unserviceable, be so distinguished in the Report, as well as the causes to which their Unserviceable State may be ascribed;—

That the Stores which may be found in a Repairable State be also detailed in the Report, together with a Specification of the Repairs required to render them fit for Service: and the Expence of the Repair to be detailed as nearly as can be estimated.

And the Board, upon the Receipt of such Reports, from time to time, will give such Orders as they may think expedient for the disposal of the Unserviceable Stores, and for the Repair of those that may be considered Repairable; attention being had, in the interim, to the Regulations in force, which prohibit the disposal of Unserviceable Stores without the Board's previous sanction.

The Master General and the Board are further pleased to direct that, whenever there shall be a Survey of Stores for the purpose of ascertaining quantities or condition and state, and there should be any of His Majesty's Ships and Troops at the Station, or either at the Station, the Commanding Officer of both or either, should be requested to order an Officer of both, or either, to attend the Survey with the respective Officers above ordered, who, together with the respective Officers, should sign the Proceedings—the Signature of the Proceedings by such Officer of the Navy or Troops to be considered, however, as binding them only to the accuracy of the Report which they shall make.

It is also directed, that a Copy of this Order be furnished to the Commanding Officer of the Navy or Troops, when application shall be made for the attendance of an Officer on the Survey.

I am accordingly to notify the Master General's and Board's Commands, that you will implicitly adhere to this Order in all future Surveys of Ordnance Stores, and acknowledge the Receipt of it.

I am, &c.

(Signed) R. H. CREW.

The Commanding Officer of Artillery,
The Commanding Royal Engineer,
and respective Officers of the Ordnance.
